### GENERAL INFORMATION ON FEDERAL GOVERNMENT SHUTDOWN

(January 17, 2019)

- The United States Government has been in a partial shutdown since December 22, 2018. It will remain so until Congress and the President are able to agree and approve continued funding legislation (either as a new budget or a Continuing Resolution). The current Continuing Resolution expires February 8, 2019.
- The Department of Housing & Urban Development (HUD) has announced that funding is available for the Section 8 Housing Choice Voucher program through the end of February 2019.
- If the shutdown continues past February 28, 2019 the Housing Authority of Utah County does not have sufficient reserve funding to fully support further Housing Assistance Payments.
- We value your partnership to provide affordable housing opportunities throughout Utah County and appreciate your continued support during this process.
- Please contact our Utah congressional representatives with your questions or concerns about the Federal Government Shutdown.
